

CERN Summer Student Program, Geneva

The CERN Summer Student Program is offering undergraduate students of Physics, Computing and Engineering a unique opportunity to join in the day-to-day work of research teams participating in experiments at CERN in Geneva, Switzerland. Students will join in the day-to-day work of research teams participating in experiments at CERN in Geneva, Switzerland.

Attendance requires a presence of eight weeks on site during July and August in order to follow the series of lectures and complete a research work experience.

Application Deadline

31 January 2011
