

Support for International Scientific Meetings from TWAS

With funds provided by the Italian government, Third World Academy of Sciences (TWAS) encourages the organization of high-level international and regional scientific activities in developing countries. Financial assistance in the shape of travel grants for principal speakers is offered to the organizers of conferences, workshops, symposia and special meetings in the developing world.

Grants are offered for meetings in the following fields of natural sciences: agricultural, biological, chemical, engineering, geological and medical sciences. Special consideration will be given to meetings that have applications to real-world problems.

Electronic application form must be completed and signed by both the applicant and the head of the institution and sent to **mahdavi@twas.org**

Application Form: <http://twas.ictp.it/common/files/files-mtgs/SMe.doc/view>

Application Deadline:
