

TWAS-UNESCO Associateship Scheme

In collaboration with UNESCO and a number of centres of excellence in the South, TWAS has instituted a Joint Associateship Scheme in the field of Natural Sciences to enable competent researchers from the South to visit these centres regularly. An associate is assigned for three years during which she/he can visit a Centre twice for research collaboration.

Over 100 centres have been selected to participate in the Scheme. TWAS provides travel support for the associates and a contribution towards subsistence costs up to US \$ 300.00 per month while living expenses are covered by the host centres.

Application Deadline

Applications must reach the TWAS Secretariat **by 1 December of each year**
